British Journal of Hospital Medicine

Index/volume 49

6 January 1993 to 15 June 1993

A

Abrahamson D. Deinstitutionalization and the mentally ill. *Corres* ... 212
Acne, stigma of. *Review* JG Lowe ... 809
Acoustic neuroma: triumph and disaster. *Editorial* GM O'Donoghue ... 85
Acoustic schwannoma. *Review* CL Chandler and RT Ramsden ... 335
Acute oxygen therapy. *Review* RM Leach and NT Bateman ... 637
Acute tumour lysis syndrome. *Review* RC Chasty and JA Liu-Yin ... 488
Adenoids, adult. *Corres* J Bennett et al ... 289
Adler M and **Johnson A.** *Health of the Nation:* HIV/AIDS and sexual health. *Editorial* ... 21
Adrenaline, epidural, continuing controversy over use of in pre-eclampsia. *Corres* DM Levy; SW O'Kelly ... 745
Advanced prostate cancer: what's new in hormonal manipulation? *Review* SF Brewster and DA Gillatt ... 710
Airways diseases, thinking clearly about. *Editorial* MR Partridge ... 383
Alison MR and **Wright NA.** Growth factors and growth factor receptors. *Review* ... 774
Allen I. Flexible working in general practice. *Editorial* ... 231
Allman ACJ and **Steer PJ.** Monitoring uterine activity. *Fetal monitoring* ... 649
Alzheimer's disease aetiology: amyloid and chromosome 14. *Editorial* H Houlden and M Mullan ... 535
Amiodarone in the elderly. *Corres* OMP Jolobe ... 669
Amphetamine withdrawal, depressive stupor following. *Case report* TA Tuma ... 361
An analysis of modern man. *In the public's view* NW Goodman ... 668
Anaesthetic dilemmas:
Caesarian section for the pre-eclamptic. SW O'Kelly and JM Handel ... 202
Dental abscess in an anticoagulated patient with ankylosing spondylitis. A Cone ... 190
Neuroleptic malignant syndrome and ECT. H Vallance and I McConachie ... 50
Unfit for cataract surgery under local anaesthesia. RJ Elton and RI Francis ... 255
Anderson DR. Optimizing the benefits of cardiomyoplasty. *Corres* ... 137
Andrews PA. Centoxin: the full story of its withdrawal. *Corres* ... 517
Angelini GD *see* **Violaris AG**
Ankylosing spondylitis, dental abscess in an anticoagulated patient. *Anaesthetic dilemmas* A Cone ... 190
Anticoagulant, thrombolytic and antiplatelet therapy benefits and risks in atrial fibrillation. *Review* BG Marchant and AD Timmis ... 186
Anticoagulant-related intracranial haemorrhage. *Case report* IK Pople et al ... 428
Anticoagulation, time to reassess the indications for. *Corres* TF Fannin and WJ Gray ... 821
Antiplatelet, anticoagulant and thrombolytic therapy benefits and risks in atrial fibrillation. *Review* BG Marchant and AD Timmis ... 186
Anxiety and endocrine responses to surgery. *Corres* J Kincey; J Kanto; P Salmon ... 441
Aortic valvar regurgitation, chronic, when to operate. *Review* T Treasure ... 613
Application of SWOT analysis. *Doctors and management* A Casebeer ... 430
Arya DK. Child psychiatric services: in crisis? *Corres* ... 669
Asthma, ventilatory support. *Exam workshop: FRCA* SR Finfer and CS Garrard ... 357
Asthma in childhood. *Exam workshop: MRCP (Paeds)* CVE Powell ... 127
Atherosclerotic renal artery stenosis. *Review* G Stansby et al ... 388
Atrial fibrillation
benefits and risks of thrombolytic, anticoagulant and antiplatelet therapies. *Review* BG Marchant and AD Timmis ... 186
cardioversion in. *Review* A Clark and L Cotter ... 256
current concepts. *Review* FD Murgatroyd and AJ Camm ... 546
stroke prevention in: warfarin better than aspirin. *Corres* OMP Jolobe ... 745

B

Baclofen, intrathecal in severe spasticity. *Review* BN McLean ... 262
Baldwin D and **Rudge S.** Moclobemide: a reversible inhibitor of monoamine oxidase type A. *New drugs* ... 497
Balinger A. Prevention of peptic ulceration in patients receiving NSAIDS. *Review* ... 767
Bart's may yet dodge Tomlinson chop. *Doctor in the House* ... 133
sunk by buoyant Bottomley. *Doctor in the House* ... 364
Bateman NT see **Leach RM**
Begg NT. Vaccination the next 10 years. *Editorial* ... 83
Bennett J, Kersebaum M and Heckrodt H. Adult adenoids. *Corres* ... 289
Bernstein A. What should a clinical director do? *Doctors and management* ... 351
Berry CB and **Murphy PM.** Regional anaesthesia for cataract surgery. *Review* ... 689
Biggins CA *see* **Madeley P** et al
Biological aspects of personality disorder. *Review* MJ Marlowe ... 564
Biophysical profile monitoring. *Fetal monitoring* D James ... 561
Bladder, acontractile and retention in women. *Corres* J Malone-Lee ... 365
Bodenham AR *see* **Wilson RC**
Bone, role of cytokines in normal and pathological bone states. *Review* G Matfin ... 407
Bone marrow transplantation for sickle cell anaemia. *Editorial* S Davies ... 229
Boot-shaped heart. *Features in radiology* S Chapman ... 419
Bottomley
fights anarchy in the UK. *Doctor in the House* ... 287
sinks Bart's. *Doctor in the House* ... 364
Boyd JL *see* Madeley P et al
Breast cancer, male
high rate in the Falklands. *Corres* B Elsby ... 821
Review MM Nagadowska and IS Fentiman ... 104
Breimer LH and **Mikhailidis DP.** MD for Europe? *Editorial* ... 459
Brewster SF and **Gillatt DA.** Advanced prostate cancer: what's new in hormonal manipulation? *Review* ... 710
Bridges J and **Oram D.** Management of advanced gynaecological malignancies. *Review* ... 191
British Thoracic Society. Guidelines for the management of community-acquired pneumonia in adults admitted to hospital. *Review* ... 346
Bronchogenic carcinoma, radiological diagnosis and staging. *Review* LN Gomersall and J Weir ... 44
Brown SE. Medical photography. *Communication* ... 416
Bryant-Waugh R *see* **Lask B**
Budden DW. Should mental hospital closure be delayed? *Corres* ... 592
Buoyant Bottomley sinks Bart's. *Doctor in the House* ... 364
Burgess N *see* **Graham GP**
Burroughs AK *see* **McCormick PA**
Business plan, how to make. *Doctors and management* PF Kennedy ... 278

C

Caesarean section for the pre-eclamptic. *Anaesthetic dilemmas* SW O'Kelly and JM Handel ... 202
Cameron AM and **Nimmo WS.** Pharmaceutical registration and how to get a drug on the market. *Exam workshop: FRCA* ... 583
Cameron LM. Surrogacy: time to heed the patient's views. *Corres* ... 212
Camm AJ *see* **Murgatroyd FD; Sneddon JF**
Caplin ME. Clinical problems in gastroenterology. *Exam workshop:* MRCP ... 579
Cardiac surgery in older people. *Editorial* MJ Unsworth-White et al ... 457
Cardiomyoplasty, optimizing the benefits. *Corres* S Salmons; DR Anderson ... 137
Cardioversion in atrial fibrillation. *Review* A Clark and L Cotter ... 256
Carroll G. Priority setting in purchasing. *Doctors and management* ... 200
Case report:
Anticoagulant-related intracranial haemorrhage. IK Pople et al ... 428
Congenital Langerhans cell histiocytosis (histiocytosis X). D Maher ... 500
Depressive stupor following amphetamine withdrawal. TA Tuma ... 361
Malassezia furfur infection in a neonate. JM Nicholls et al ... 425
Osteoporotic sacral fracture causing neurological deficit. SH Lock and SCM Mitchell ... 210
Stab injury to the lumbar spine. DAW Ritchie ... 574
Urinary retention in prostatic carcinoma: obstructive or neurogenic? GP Graham et al ... 733
Casebeer A. Application of SWOT analysis. *Doctors and management* ... 430
Cataract surgery
regional anaesthesia for. *Review.* CB Berry and PM Murphy ... 689
under local anaesthesia. *Anaesthetic dilemmas* RJ Elton and RI Francis ... 255
Catford J. *Health of the Nation:* Coronary disease and stroke. Editorial ... 11
Centoxin
the full story of its withdrawal. Corres MG Choyce; PA Andrews; J Davidson and M Tarlow ... 517
New Drugs J Davidson and M Tarlow ... 121
Cervical cancer and human papillomavirus. *Exam workshop: MRCOG* T Crook and A Farthing ... 131
Cervical smear, management of an abnormal smear: 2. *Exam workshop:* MRCOG W Prendiville ... 503
Chalmers N. Transjugular intrahepatic portosystemic stent-shunts: a new option in portal hypertension. *Editorial* ... 763
Chandler CL and **Ramsden RT.** Acoustic schwannoma. *Review* ... 335
Chapman S Boot-shaped heart. *Features in radiology* ... 419
Charcoal haemoperfusion in drug intoxication. *Review* Webb D ... 493
Chasty RC and **Liu-Yin JA.** Acute tumour lysis syndrome. *Review* ... 488
Chest radiography, digital. *Review* DM Hansell ... 117
Child psychiatric services: in crisis? Corres DK Arya ... 669
Chin J *see* **McCormick PA**
Choyce MG. Centoxin: the full story of its withdrawal. Corres ... 517
Clark A and **Cotter L.** Cardioversion in atrial fibrillation. *Review* ... 256
Cleland JGF *see* **Dutka DP**
Clements R. Imaging the prostate. *Review* ... 703
Clinical director, what should one do? *Doctors and Management* Bernstein A ... 351

Compiled by Jill C Halliday, BSc

Clinical directorates: the new order. *Doctors and management* WH Sang 353
Clinical problems in gastroenterology. *Exam workshop: MRCP* ME Caplin 579
Clozapine. *New drugs* M Launer 56
Communication:
Medical photography. SE Brown 416
